# the JT's story

JT's Pizza Depot was founded in June of 1975 by Joe Cucinella and Tom Hudley ("J & T") in the smaller, west end of the current building. Joe and his wife Becky were newlyweds, and at the end of the first year, Joe bought out Tom's share of the business. He has solely owned JT's Pizza Depot ever since.

From the very beginning, Joe and his staff have made their signature dough every day, hand-tossing pizzas and making every sub and pasta dinner by hand. The company maintains the commitment to making everything from scratch. In addition to their incredible pizza and pasta sauces, JT's even makes their own homemade Italian sausage from the finest cuts of pork and secret blend of spices and seasonings.

The business continues to grow and prosper each year, and the next generation of the Cucinella family is now involved in the enterprise. One thing hasn't changed, and never will...The strong dedication to quality, family recipes and friendly service.
